It's time to register for the

ANNUAL CAMPING TRIP

PIONEER PARK

1563 N SCENIC DR MUSKEGON, MI

THURSDAY AUGUST 18 TO SUNDAY AUGUST 21

We know that seems like a long way off but the campsites fill up fast! You must make your own reservation so don't delay! A couple families have made their reservation and are on lot # 199 and #105. Each lot has its own description. See what fits your needs. Bring your tent, pop-up, RV. They do have some cabins to rent. Some families stay for 3 nights, others 2 nights. You can also just come for the day if that works best. We'd love to have lots of our Oasis families join us. Lots of fun, games, fires, beach... Please call, text, email if you have ANY questions and let me know when you've made your reservation!
